EpicCare Link

EpicCare Link is a web-based application connecting Baylor Scott & White Health community-based affiliate providers via secure access to select capabilities and patient information with Baylor Scott & White Health's Epic electronic medical record.

WITH EPICCARE LINK, AFFILIATE PROVIDERS CAN
- Access patients' medical records at Baylor Scott & White Health—Affiliate providers can access medical records, which can improve the quality of care for the patient.
- Securely send HIPAA compliant messages to Baylor Scott & White Health providers.
- Request referrals and upload documents—Affiliate providers can request and follow a referral in real time as well as submit documents electronically.
- Order radiological testing—Affiliate providers can request specific imaging and receive secure access to the radiologist's assessment of the resulted images.
- Review billing information—Affiliate providers who admit patients to a Baylor Scott & White Health inpatient facility can have their billing staff review clinical documentation to verify client billing is accurate and supported. This feature may be utilized for coding and charge reconciliation.

Affiliate providers may include: referring providers, referred-to providers, contracted providers, support staff, delegates and employers.

REQUEST ACCESS TO EPICCARE LINK

Affiliate providers may request access to EpicCare Link by completing the forms located at EpicCareLinkInfo.sw.org and submitting them to Baylor Scott & White Physician Relations. If you have any questions, please call 254-724-8559.
