Abstract

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

AOA Journal Club. Different lectures and faculty consultant. xxx

“A patient with a rash and thrombocytopenia.” Clinical-pathological conference. Department of Medicine, Temple University Hospital. Philadelphia, PA, March 2006

“DVT Treatment and Prophylaxis in the Hospitalized Patient.” Department of Family Medicine, St. John’s Medical Center. Queens, NY. February 2006

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Heparin-induced Thrombocytopenia.” Department of Pharmacy, Temple University. Philadelphia, March 2006

“Prophylaxis of VTED.” Department of Pharmacy, Temple University. Philadelphia, April 2006

“Prophylaxis of VTED.” II International Forum of Atherothrombosis and Thromboembolism. San Jose, Costa Rica, October 2006

“VTE Prophylaxis in the perioperative period.” Staten Island University, NY. May 2006

“VTE, Diagnosis and Treatment.” TJU Hospital, PA. March 2006

L. Bernardo Menajovsky, MD, MS

Reference List

Presentation

“Update on Treatment and Prophylaxis of VTED.” Department of Medicine. Medical College of Virginia, VCU. Richmond, VA, April 2006

“Update on Treatment and Prophylaxis of VTED.” Department of Medicine. Somerset Medical Center. Somerville, NJ, March 2006

“Update on Treatment and Prophylaxis of VTED.” Department of Medicine. Pocono Medical Center. Stranton, PA, June 2006

“Update on Treatment of VTED.” Department of Medicine. St. Francis Hospital, DE, August 2006

“Update on Treatment of VTED.” Department of Pulmonary and Critical Care Medicine. Cornell University, NY, June 2006

“Update on Treatment of VTED.” National Society of Hospital Pharmacists, Pennsylvania Chapter. Philadelphia, PA, March 2006
L. Bernardo Menajovsky, MD, MS
Reference List

**Presentation**

“Update in VTED and HIT.” Department of Medicine. Holy Redeemer Hospital. Philadelphia, PA, March 2006

“Update in VTED and HIT.” Department of Medicine. St. Francis Hospital. Trenton, NJ, March 2006

“Clinical aspects of VTED.” The Leading Edge in Ultrasound Conference. Atlantic City, NJ. May 2005

“Anticoagulation Management of VTE.” Doylestown Hospital, Department of Medicine. Doylestown, PA, January 2005

“Anticoagulation Management for the ICU.” Henrico Doctors Hospital, Department of Medicine, Division of Trauma and Critical Care. Richmond, VA, March 2005
Presentation

“Duration of Therapy for DVT and PE.” II Colombian Concensus of Thromboembolic Diseases, Santa Marta, Colombia, May 2005

“Duration of Therapy for DVT and PE.” XI Annual Congress, Colombian Society of Pulmonology and Thoracic Surgery, Bogota, Colombia, October 2005

“Management of VTE in the Transplant Patient.” Medical College of Virginia. Department of Surgery; Division of Transplant Surgery. Richmond, VA, March 2005

“VTE Prophylaxis and Management of the Post-Thrombotic Syndrome.” Mercy Suburban Hospital, Department of Medicine. Philadelphia, PA, March 2005

“VTE, Diagnosis and Treatment.” Flushing Hospital, NY. April 2005
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Update on Diagnosis and Treatment of VTED.” XI Annual Congress, Colombian Society of Pulmonology and Thoracic Surgery, Bogota, Colombia, October 2005

“Update in Diagnosis and Management of VTE.” Winthrop Hospital. Department of Medicine. Long Island, NY, April 2005

“Update in VTED.” VA Medical Center, Department of Medicine. Wilmington, DE, February 2005

“Controversies in Management of VTED.” CLATH (ISTH-Latin-American branch) International Meeting. Lima, Peru, August 2004

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Anticoagulation in Contemporary Clinical Medicine.” Crozer Chester Medical Center, Upland, PA, February 2004

“Anticoagulation in Contemporary Clinical Medicine.” MCP-Hanneman 2004

“Anticoagulation in Contemporary Clinical Medicine.” St. Agnes Hospital, University of Maryland Medical System. Baltimore, MD, February 2004

“Anticoagulation in Contemporary Clinical Medicine.” The Stamford Hospital, Columbia University College Physicians & Surgeons. Stamford, CT, January 2004

“Anticoagulation in Contemporary Medicine.” CME lecture, Anglo-American Clinic, Lima, Peru, May 2004
Presentation

“Anticoagulation in Contemporary Medicine.” CME lecture, Puerto Rico University, March 2004

“Anticoagulation in Contemporary Medicine.” CME lecture, Universidad de Quito, Ecuador, May 2004

“Anticoagulation in Contemporary Medicine.” Grand Rounds, Naval Hospital, Lima, Peru, May 2004

“Anticoagulation in the Cancer Patient.” Instituto Nacional de Enfermedades Neoplasicas (INEN), Grand Rounds, Lima, Peru, May 2004

“Anticoagulation in the Cancer Patient.” Instituto Oncológico "SOLCA", Guayaquil, Ecuador, May 2004
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Advanced Cardiac Auscultation.” Workshop. XVIII Colombian Internal Medicine Meeting, Bogota, Colombia. October 2004

“Diagnosis and Treatment of VTED.” Thomas Jefferson University 2004

“Epidemiology and Prophylaxis of VTED.” Asociacion Colombiana de Medicina Interna, CME lecture. Bogota, Colombia, May 2004
L. Bernardo Menajovsky, MD, MS

Presentation

“Epidemiology and Prophylaxis of VTED.” Sociedad Colombiana de Pneumologia, CME lecture. Bogota, Colombia, May 2004

“Heparin-Induced Thrombocytopenia.” Chestnut Hill Hospital. Philadelphia, PA, October 2004

“Heparin-Induced Thrombocytopenia.” Thomas Jefferson University 2004

“Heparin-induced Thrombocytopenia.” CLATH (ISTH-Latin-American branch) International Meeting. Lima, Peru, August 2004

“Maintaining the Osler Tradition-The doctor at the bedside.” Pennsylvania resident and chief resident career orientation seminar. Philadelphia, September 2004

“Management of Anticoagulation in Pregnancy.” Atlantic City Medical Center. Atlantic City, NJ, June 2004
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Management of VTED in Special Populations.” Mercy Suburban Hospital, Reading, PA, February 2004

“Management of VTED in Special Populations.” Holy Redeemer Hospital, Philadelphia, PA, February 2004

“Primary Care Topics.” ACP Board Recertification Course. Philadelphia, PA. September 2004

“Prophylaxis of VTE in surgical patients.” Mercy Fitzgerald Hospital, Department of Surgery. Philadelphia, PA, September 2004

“Prophylaxis of VTED.” Thomas Jefferson University 2004

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“The Evidence for DVT Prophylaxis.” XVIII Colombian Internal Medicine Meeting, Bogota, Colombia. October 2004

“VTE Prophylaxis in the Medical Patient.” Community Medical Center. Toms River, NJ. March 2004

“VTE Prophylaxis in the Medical Patient.” Westmoreland Hospital, Pittsburgh, PA, March 2004

“VTE Prophylaxis in the Medical Patient.” Queens Hospital, NY, June 2004

L. Bernardo Menajovsky, MD, MS

Reference List

Presentation

“VTE management in special populations.” CLATH (ISTH-Latin-American branch) International Meeting. Lima, Peru, August 2004

“VTE, Diagnosis and Treatment.” TJU July 2004

“VTED Update 2004.” New York Hospital, Queens, NY, June 2004

“Venous Thromboembolism, New Strategies for Prophylaxis and Treatment.” Grand Rounds, Clinica Reina Sofia, Department of Internal Medicine. Bogota, Colombia, May 2004
L. Bernardo Menajovsky, MD, MS

Reference List

Presentation

“Venous Thromboembolism, New Strategies for Prophylaxis and Treatment.” Grand Rounds, Clinica San Rafael, Department of Internal Medicine. Cali, Colombia, May 2004

“Venous Thromboembolism, New Strategies for Prophylaxis and Treatment.” Grand Rounds, Hospital Universitario de Medellin, Department of Internal Medicine. Medellin, Colombia, May, Bogota, Colombia, May 2004

“Venous Thromboembolism, New Strategies for Prophylaxis and Treatment.” Grand Rounds, San Ignacio University Hospital, Department of Internal Medicine, Cali, Colombia, May 2004

“Update on Management of VTED.” Staten Island University. New York City, NY, November 2004

“Update on treatment of VTED.” XVIII Colombian Internal Medicine Meeting, Bogota, Colombia. October 2004

“Update in Diagnosis and Treatment of VTE.” CLATH (ISTH-Latin-American branch) International Meeting. Lima, Peru, August 2004
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Bridge Therapy, Practical Approach.” Department of Medicine, Grandview Hospital. Lansdale, PA, March 2003

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Diagnosis and Management of Thrombophilias.” St Peters University Hospital, New Brunswick, NJ, June 2003

“Diagnosis and Management of Thrombophilia” Department of Medicine, Doylestown Hospital, Doylestown, PA, February 2003

“Diagnosis and Treatment of VTED.” Thomas Jefferson University 2003
L. Bernardo Menajovsky, MD, MS

Reference List

**Presentation**

“Heparin-Induced Thrombocytopenia.” Thomas Jefferson University **2003**

“Heparin-Induced Thrombocytopenia.” Vascular Medicine for The Primary Care Physician; VIVA. Las Vegas, Nevada, October **2003**

“Heparin-Induced Thrombocytopenia”, Department of Medicine, Deborah Heart and Lung Institute. Newark, NJ, March **2003**

“Outpatient Treatment of VTED”, Department of Medicine, Elkins Park Hospital. Philadelphia, PA, May **2003**
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Leg Ulcers: Assessment and Management.” Vascular Medicine for the Primary Care Physician; VIVA. Las Vegas, Nevada, October 2003

“Management of Thrombophilias.” X Annual Congress, Colombian Society of Pulmonology and Thoracic Surgery, Cartagena, Colombia, October 2003

“Management of VTED in Pregnancy.” UMDNJ, Newark, NJ, September 2003
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Management of VTED in Special Populations.” Atlantic City Medical Center, NJ, October 2003

“Management of VTED in Special Populations.” Chester County Hospital, Chester, PA, September 2003

“Subclavian Artery Stenosis.” Vascular Medicine for the Primary Care Physician; VIVA. Las Vegas, Nevada, October 2003

“PAD: Importance of the History and Physical Examination.” Vascular Medicine for The Primary Care Physician; VIVA. Las Vegas, Nevada, October 2003

“Primary Care Topics.” ACP Board Recertification Course. Philadelphia, PA. September 2003

“Prophylaxis of VTED.” Colombian Society of Intensive Care Medicine. Bogota, Colombia, October 2003

April 19, 2012
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Prophylaxis of VTED.” Thomas Jefferson University 2003

“Thrombophilia, Diagnosis and Management.” TJU 2003

“Thrombosis Update 2003.” Department of Medicine, Arlington Hospital. Arlington, VA, January 2003

“Thrombosis Update 2003.” Department of Medicine, Graduate Hospital. Philadelphia, PA, January 2003

“Teaching Physical Diagnosis at the Bedside.” Teaching Residents to Teach Program. TJU Department of Medicine. May 2003
L. Bernardo Menajovsky, MD, MS
Reference List

**Presentation**

“VTE Prophylaxis in the Medical Patient.” Chestertown Hospital, Chestertown, PA, October **2003**

“VTE Prophylaxis in the Medical Patient.” Lancaster Regional Hospital, Lancaster, PA, October **2003**

“VTE Prophylaxis in the Medical Patient” Department of Medicine, Chestnut Hill Hospital. Philadelphia, PA, February **2003**

“VTE Prophylaxis in the Medical Patient” Department of Medicine, Holy Redeemer Hospital. Philadelphia, PA, January **2003**

“VTE Prophylaxis in the Medical Patient” Department of Medicine, Mercy Suburban Hospital. Philadelphia, PA, February **2003**

“VTE Prophylaxis in the Medical Patient” Department of Medicine, Pottstown Medical Center. Pottstown, PA, February **2003**
Reference List

Presentation

“VTE Prophylaxis in the Medical Patient” Department of Medicine, Taylor Hospital. Chester, PA, March 2003

“VTE Prophylaxis in the Medical Patient”, Department of Medicine, Our Lady of Lourdes Hospital, Camden NJ, June 2003

“VTE Prophylaxis in the Medical Patient”, Department of Medicine, Saint Agnes Hospital. Philadelphia, PA, March 2003

“VTE Prophylaxis in the medical Patient”, Department of Medicine, Atlantic City Medical Center, Atlantic City, NJ, March 2003

“VTE Prophylaxis.” Frankford Torresdale Hospital, Philadelphia, PA, September 2003

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“VTED in Rehabilitation Medicine”, Department of Rehabilitation Medicine, Thomas Jefferson University, Philadelphia, PA, May 2003

“VTED in Rehabilitation Medicine.” JFK Rehabilitation Center, Stratford, NJ, June 2003

“Update on Management of VTED.” Staten Island University. Staten Island, NY, September 2003

“Update in VTED”, Department of Family Medicine, The University of Maryland. Baltimore, MD, April 2003

“Diagnosis and Treatment of DVT and PE.” XII National Congress and XXIV International Course of Internal Medicine. Lima-Peru, October 2002

April 19, 2012 25
L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Perioperative Medical Management.” Department of Medicine. Riddle Memorial Hospital. Philadelphia, PA. May 2002

“VTE Prophylaxis in the Non-surgical patient.” Thomas Jefferson University 2002

“Clinical aspects of VTED.” The Leading Edge in Ultrasound Conference. Atlantic City, NJ. May 2002

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Diagnosis and Management of VTED.” Anticoagulation Preceptorship Program, Philadelphia, PA. October 2002

“Diagnosis and Management of hypercoagulable states.” XII National Congress and XXIV International Course of Internal Medicine. Lima-Peru, October 2002

“Heparin Induced Thrombocytopenia.” Thomas Jefferson University 2002

“Outpatient Management of VTED.” Department of Family Medicine, JFK, UMDNJ, Stratford, NJ, September 2002

“Outpatient Treatment of DVT. As good as it gets!.” Department of Medicine. Riddle Memorial Hospital. Philadelphia, PA. June 2002

“Outpatient Treatment of DVT. As good as it gets!.” Department of Medicine. SUNY, Syracuse. Syracuse, NY. May 2002
L. Bernardo Menajovsky, MD, MS
Reference List

**Presentation**

“Searching for the Ideal Antithrombotic.” IX International Course of Therapeutics. Lima, Peru. March 2002

“Primary Care Topics.” ACP Board Recertification Course. Philadelphia, PA. September 2002

L. Bernardo Menajovsky, MD, MS

Reference List

**Presentation**

“Thrombosis Update 2002.” Department of Medicine, JFK Hospital, UMDNJ, Stratford, NJ. September **2002**

“Thrombosis Update 2002 for the ICU.” Critical Care Symposium, Point Pleasant, NJ, October **2002**

“Thrombosis Update 2002”. Department of Medicine, Maryland General Hospital, University of Maryland Medical System. Baltimore, MD. September **2002**

“Thrombosis Update.” CME conference. Lucerne County Medical Society. Wilkes-Barre, PA. November **2002**

L. Bernardo Menajovsky, MD, MS
Reference List

Presentation

“Teaching Physical Diagnosis at the Bedside.” Teaching Residents to Teach Program. TJU Department of Medicine. May 2002

“VTED in Cancer.” XXIV National Congress, Peruvian Society of Oncology. Lima, Peru, August 2002

“Update in DVT and PE prophylaxis.” XII National Congress and XXIV International Course of Internal Medicine. Lima-Peru, October 2002
