Book Chapter

Smith LG, Pearse HD. Kidney. Radiation Oncology: Rationale, Technique, Results, 8th ed., Chapter 24, pp. 559-574, edited by Cox, J. D. and Ang, K. K. St. Louis, Mosby 2003

Presentation

Smith LG. Lecture to students on radiation oncology. Texas Tech School of Medicine 2009

Smith LG. Cancer prevention. Georgetown Chamber of Commerce Presentation 2008
Lewis Garvey Smith III, MD
Reference List

Presentation

Smith LG. Lung cancer. Williamson County Presentation 2008

Smith LG. Prostate cancer facts. Sun City Prostate Support Group 2008

Smith LG. Rectal cancer. Georgetown Healthcare Presentation 2008

Smith LG. Cancer facts. Williamson County Presentation 2007

Smith LG. Lung cancer. Georgetown Chamber of Commerce Presentation 2007

Smith LG. Prostate brachytherapy. Sun City Prostate Support Group 2007
Lewis Garvey Smith III, MD
Reference List

Presentation

Smith LG. Surgery vs radiation for prostate cancer. Sun City Prostate Support Group 2007

Smith LG. The cancer center. Georgetown Healthcare Presentation 2007

Smith LG. Treatment for locally recurrent prostate cancer. Sun City Prostate Support Group 2006

Smith LG. Cancer prevention. Georgetown Healthcare Presentation 2005

Smith LG. Cancer prevention. Georgetown Chamber of Commerce Presentation 2005

Smith LG. Prostate brachytherapy. Sun City Prostate Support Group 2004
Lewis Garvey Smith III, MD
Reference List

Presentation

Smith LG. Salvage prostate brachytherapy. Sun City, AZ, US2 Presentation 2004

Smith LG. Skin cancer. Sun City, TX 2004

Smith LG. Prostate brachytherapy. Sun City, ZA US2 Presentation 2003

Smith LG. Genitourinary tumors. M.D. Anderson Cancer Center Genitourinary CRO Lecture Series II Lectures to Medical Dosimetry and Radiation Therapy Students 2001

Smith LG. Genitourinary cancers. M.D. Anderson Cancer Center Genitourinary CRO Lecture Series II Lectures to Medical Dosimetry and Radiation Therapy Students 2001

April 19, 2012 5
Lewis Garvey Smith III, MD

Presentation

Smith LG. Lecture: XRT in prostate cancer. M.D. Anderson Cancer Center Medical Oncology Fellows Core Curriculum Lecture Series *2001*

Smith LG. Future trends in radiation therapy. High Energy Concepts in Radiation Oncology Conference, Orlando, FL *2001*

Smith LG. Prostate brachytherapy presentation. Gilbert Fletcher Society Annual Meeting, London, Ontario *2001*

Smith LG. Prostate brachytherapy. M.D. Anderson Cancer Center Resident Lecture Series *2001*

Smith LG. Prostate cancer. M.D. Anderson Cancer Center Resident Lecture Series *2001*

Smith LG. Prostate cancer therapy. High Energy Concepts in Radiation Oncology Conference, Orlando, FL *2001*
Lewis Garvey Smith III, MD
Reference List

Presentation

Smith LG. Prostate cancer therapy. High Energy Concepts in Radiation Oncology Conference, Orlando, FL 2001

Smith LG. Soft tissue sarcomas. M.D. Anderson Cancer Center Genitourinary CRO Lecture Series II Lectures to Medical Dosimetry and Radiation Therapy Students 2001

Smith LG. Soft tissue sarcomas. M.D. Anderson Cancer Center Soft Tissue Sarcoma CRO Lecture Series II Lectures to Medical Dosimetry and Radiation Therapy Students 2001

Smith LG. Moderator: Session IV: Therapy. Participant in U.T.M.D. Anderson Cancer Center Clinical Innovation in the Diagnosis and Treatment of Localized Prostate Cancer Conference 2000

Smith LG. Genitourinary tumors. 2000

Smith LG. Genitourinary tumors. M.D. Anderson Cancer Center Genitourinary CRO Lecture Series Lectures to Medical Dosimetry and Radiation Therapy Students 2000
Lewis Garvey Smith III, MD
Reference List

Presentation

Smith LG. Brachytherapy--Patient selection and results. Participant in U.T.M.D. Anderson Cancer Center Clinical Innovation in the Diagnosis and Treatment of Localized Prostate Cancer Conference 2000

Smith LG. Brachytherapy. Moderator, Prostate Cancer at RSNA 2000

Smith LG. Increasing choices curative treatments for localized prostate cancer: brachytherapy vs "modern" external beam radiation. Lecturer, Prostate Cancer Management 2000

Smith LG. Lecture: XRT in prostate cancer. M.D. Anderson Cancer Center Medical Oncology Fellows Core Curriculum Lecture Series 2000

Smith LG. Prostate brachytherapy. U.T.M.D. Anderson Cancer Center Radiation Oncology Grand Rounds 2000
Lewis Garvey Smith III, MD

Reference List

Presentation

Smith LG. Proton cost analysis review. Division of Radiation Oncology M.D. Anderson Cancer Center 2000

Smith LG. Soft tissue sarcomas. M.D. Anderson Cancer Center Genitourinary CRO Lecture Series Lectures to Medical Dosimetry and Radiation Therapy Students 2000

Smith LG. Prostate brachytherapy. Lecture as part of U.T.M.D. Anderson Cancer Brachytherapy Course 1999

Smith LG. Predictors of distant metastasis 7 years after a rising PSA in prostate cancer patients treated with external beam radiotherapy. Oral Presentation at 41st Annual Meeting ASTRO 1999

Smith LG. Sarcoma Panel. Moderator at RSNA 1999

Smith LG. Radiation induced hypersensitivity from low dose exposures. Oral Presentation at 40th Annual meeting ASTRO 1998
Presentation

Smith LG. Sarcoma. Lecture to Dosimetry Group 1998

Smith LG. Recursive partition analysis in the treatment of GBM. Grand Rounds, Department of Radiation Oncology Columbia-Presbyterian Medical Center, New York, NY 1996

Smith LG. Stereotactic radiosurgery in the treatment of brain tumors. Grand Rounds, Department of Radiation Oncology Columbia-Presbyterian Medical Center, New York, NY 1996

Smith LG. The use of peri-aortic fields in the treatment of cervical cancer. Grand Rounds, Department of Radiation Oncology Columbia-Presbyterian Medical Center, New York, NY 1995

Smith LG. Presentation and management of thymomas. Grand Rounds, Department of Radiation Oncology, Columbia-Presbyterian Medical Center, New York, NY 1994

Smith LG. Treatment options for early stage seminomas. Urology Tumor Conference, Department of Urology Columbia-Presbyterian Medical Center, New York, NY 1994
