Presentation

Katz A. Locally advanced breast cancer/partial breast radiation. Presented to the Harvard Radiation Oncology Program residents, Boston, Ma. 2007

Katz A. Factors associated with involvement of four or more axillary nodes for sentinel lymph node positive patients. Presented at the Annual Meeting of The American Society of Therapeutic Radiation and Oncology (ASTRO), Philadelphia, Pa. 2006

Angela DeRobertis, MD
Presentation

Katz A. Can axillary dissection be avoided in patients with sentinel lymph node (SLN) metastases (mets)? Presented at the Annual Meeting of the American Society of Clinical Oncology (ASCO), Orlando, Fl. 2005

Katz A. Interesting breast cancer cases. Presented at the Harvard Medical School sponsored Advances in Cancer Management for the Surgeon Conference, Boston, Ma. 2005

Katz A. Is Sentinel lymph node (SLN) mapping necessary for patients with ductal carcinoma in situ (DCIS) or microinvasive breast cancer (MIC)? Presented at the Annual Meeting of the American Radium Society (ARS), Barcelona, Spain. 2005

Katz A. Limiting the toxicity of local treatment for early breast cancer. Presented at Grand Rounds, Emerson Hospital, Concord, Ma. 2005

Katz A. Partial breast irradiation. Presented at the Harvard Medical School sponsored Advances in Cancer Management for the Surgeon Conference, Boston, Ma. 2005

Katz A. Sentinel lymph node mapping: a review of 1000 procedures from the community. Presented at Breast Grand Rounds, Massachusetts General Hospital, Boston, Ma. 2005
Angela DeRobertis, MD
Reference List

Presentation

Katz A. Advances in radiation oncology. Presented to the Oncology Nurses' Association at Sibley Memorial Hospital, Washington, D.C. 2004

Katz A. The role of radiation therapy in breast cancer. Presented to local clinicians and community members at Sibley Memorial Hospital, Washington, D.C. 2002

Katz A. Radiation techniques for the treatment of breast cancer. Series of lectures presented to students of the University of Texas-MD Anderson School of Radiation Therapy, Houston, Tx. 2001

Katz A. Regional nodal failure patterns following mastectomy: implications for postoperative irradiation. Presented at the Annual Meeting of the American Radium Society (ARS), Coronado, Ca. 2001

Angela DeRobertis, MD
Reference List

Presentation

Katz A. Recursive partitioning analysis (RPA) of locoregional recurrence (LRR) patterns following mastectomy and doxorubicin-based chemotherapy. Presented at the Annual Meeting of The American Society of Clinical Oncology (ASCO), New Orleans, La. 2000

Katz A. The influence of pathologic tumor characteristics on locoregional recurrence rates following mastectomy. Presented at the Annual Meeting of The American Society of Therapeutic Radiation and Oncology (ASTRO), Boston, Ma. 2000

Katz A. The role of radiation therapy in breast cancer. Presented as a lecture to visiting students at MD Anderson Cancer Center, Houston, Tx. 2000

Katz A. Optimization of radiotherapy for patients with cervical cancer. Presented at Grand Rounds, Department of Radiation Oncology, M.D. Anderson Cancer Center, Houston, Tx. 1999
Angela DeRobertis, MD
Reference List

Presentation

Katz A. Quantification and correlation of intracavitary brachytherapy parameters for patients with carcinoma of the cervix. Presented at the Annual Meeting of The American Society of Therapeutic Radiation and Oncology (ASTRO), San Antonio, Tx. 1999

Katz A. Prognostic value of CA 19-9 levels in patients with pancreatic carcinoma treated with radiotherapy. Presented at the Annual Meeting of The American Society of Therapeutic Radiation and Oncology (ASTRO), Los Angeles, Ca. 1996
