Book Chapter

• Modified Dor procedure- Mcgraw-Hill, 2010 2010

• Sai-Sudhakar CB. "A Cardiac Surgeon's Perspective." In Introductory Guide to Cardiac CT Imaging. 1st ed. 81-90. Columbus: Lippincott, Williams & Wilkins, 2010. (Published). 100% Authorship. This chapter was entirely written by me. I designed the chapter to highlight the viewpoint of the cardiac surgeon in CT imaging of the heart and to understand the anatomy of the coronary circulation. 2010
